

CLIMBING TOGETHER FOR 10 YEARS

Dear climbers and lovers of climbing, it is our honor to invite you to the 10th climbing festival in Demir Kapija. This year we celebrate 10 years of organized festival gathering and incredible 49 years of climbing in Demir Kapija.

We will climb in the canyon of Demir Kapija, on the beautiful limestone rock, on more than 250 single and multi pitch climbing routes.

Demir Kapija is a small town in North Macedonia, located near the limestone gorge with the same name. It has only 4,000 inhabitants, but very good food, wine and surroundings. That's why the prepared program is climbing, climbing, some more climbing, and music, good eating and gathering. It is 110km from Skopje, and 120km from Thessaloniki, very well connected and you can get there by car (through the highway), by train or by bus.

It will be our pleasure and honor if your Federation sends its officials but also inform and invite (in our name) all your members so that we can all be part of this great sport event.

Main climbing meeting point will be the Rock Land Camp (<https://www.campingmacedonia.com/>) in the town of Demir Kapija and it will also be a registration point, info desk, awarding ceremonies and a party place.
